

**Improve together**

*Your feedback helps to develop measures to improve the organizational climate together.*

**Minimal effort**

*In every survey, only a few questions are asked. Answering them takes less than 2 minutes.*

**Secure and anonymous**

*All responses are immediately encrypted and anonymized. They cannot be traced back to individuals.*

**ACHIEVE MORE . TOGETHER.**

TeamEcho is an online platform that makes it easy to continuously measure employee satisfaction and organizational climate.

and help improve internal communication, organizational climate and work atmosphere.

Periodic short surveys allow you to give anonymous feedback. You can share what's really on your mind

Thank you for your support!
